

You have to train hard, but we can help you to do it better and longer.

Sportswear

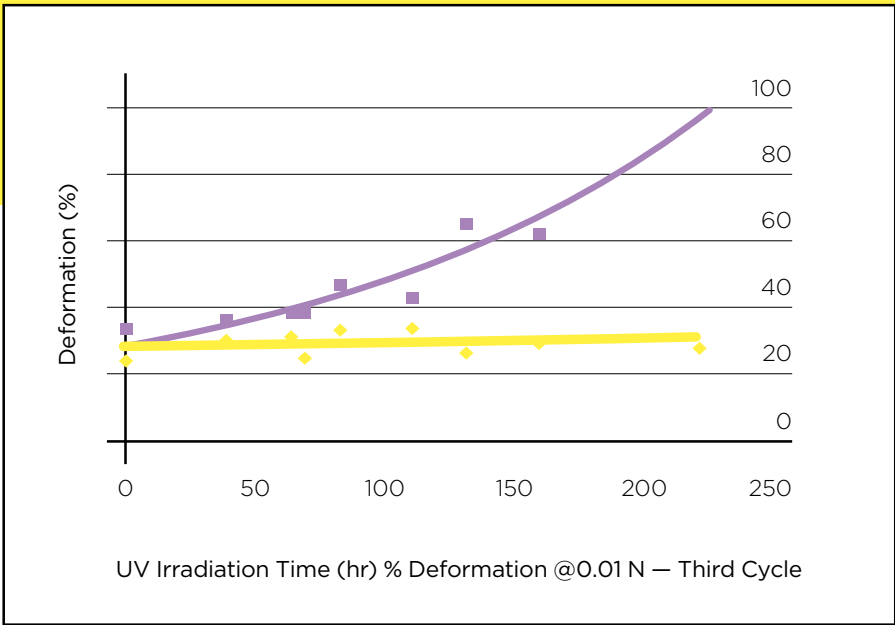

- Long-lasting performance fit
- UV ray resistant
- Sweat resistant

Long-lasting performance fit

XLANCE® features a unique high performance fit thanks to its dosed elasticity which helps supporting the body and enhancing its movements. And this unique elasticity is everlasting thanks to its inherent resistance to UV rays and sweat.

○ XLANCE® ● SPANDEX

XLANCE® yarn is inherently resistant to UVA and UVB radiations.
