## W H A T W E C A R E A B O U T M O S T

We love our fabrics and absolutely everything about what we do. As a textile manufacturer, we're conscious that we have a responsibility towards people, the environment, the world around us and our local community. With this in mind, every day we strive to make our production process more sustainable, protect the health, safety and well-being of our staff, check that all Piave fabrics meet the very highest quality standards and ensure that they do not contain substances that are harmful to humans and nature.

## M I S S I O N

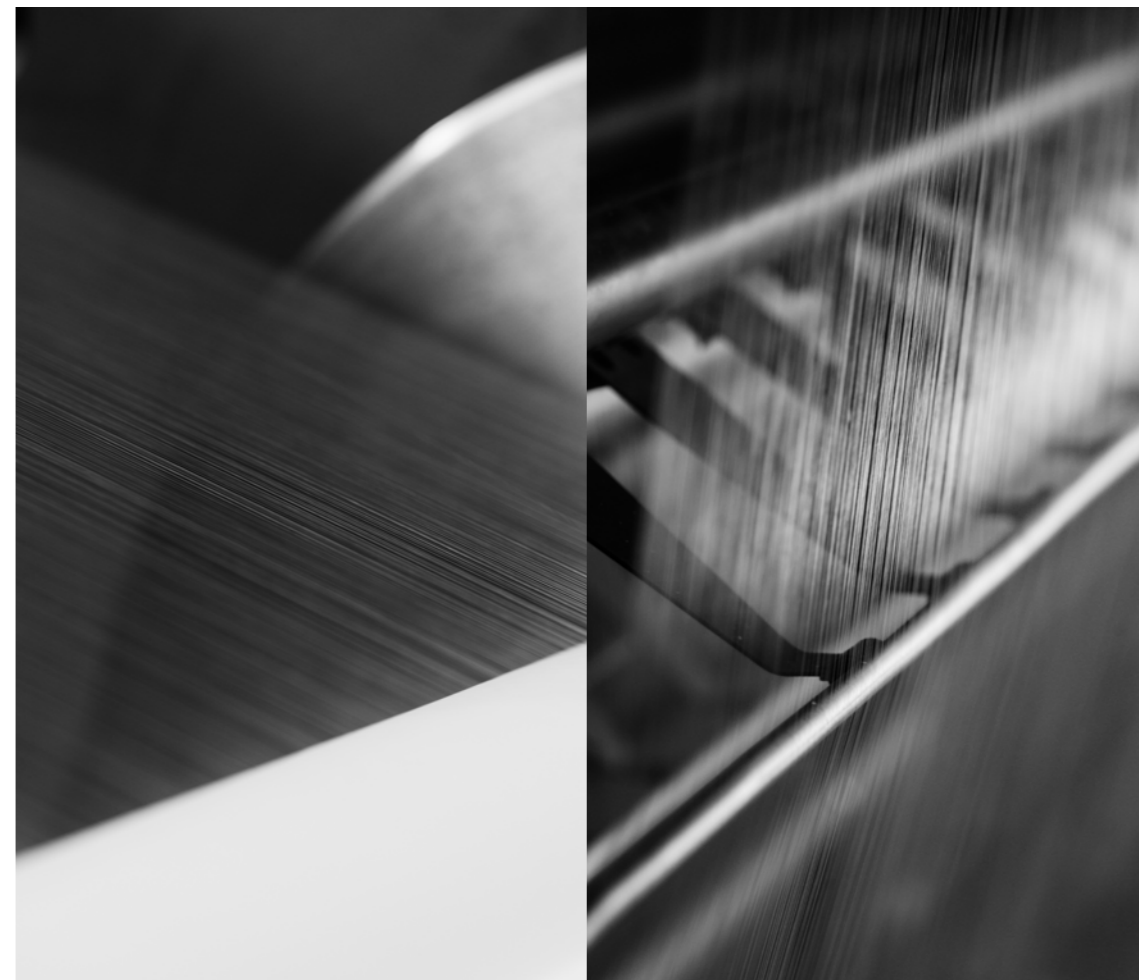

We only process meticulously selected yarns and we carry out all of the stages in the manufacturing process in-house, so our customers can always count on unbeatable quality in the end products.

WE'VE BEEN  
PART OF  
FABRICS  
HISTORY IN  
ITALY AND  
WORLDWIDE

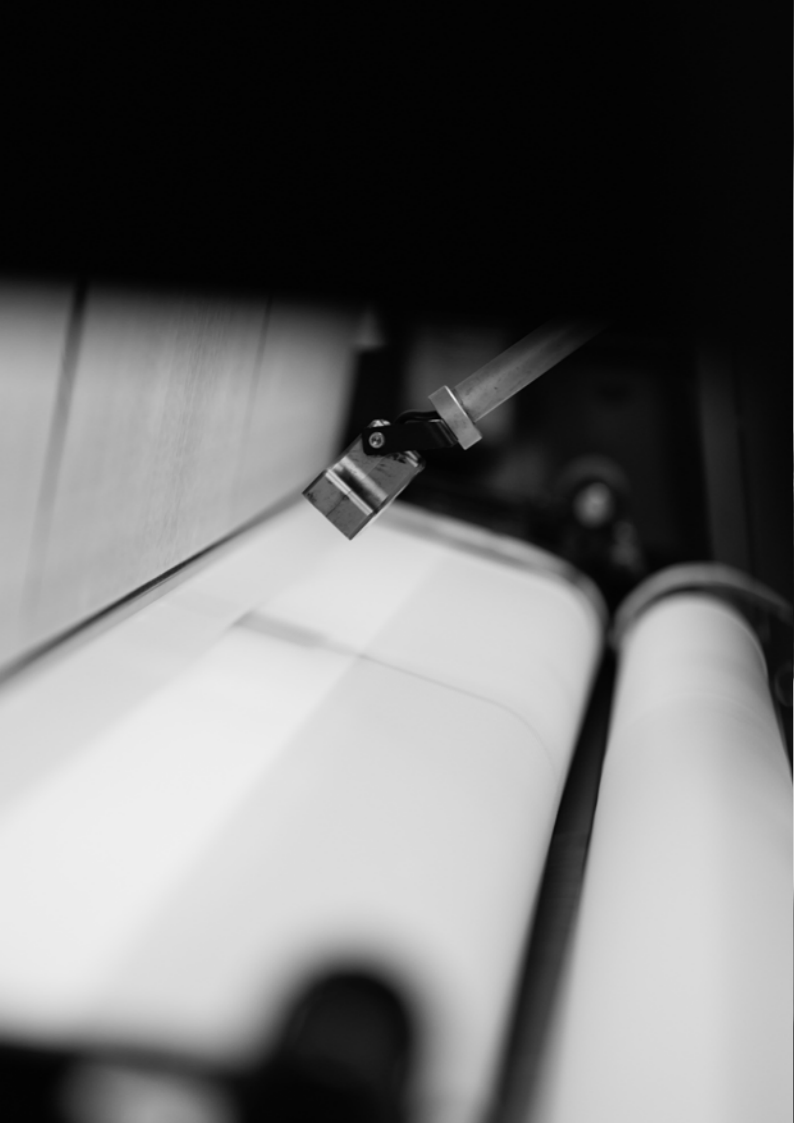

SINCE 1908.

From wooden to electronic knitting machines, the thread of our story stretches back through more than a hundred years of interwoven tradition and innovation. It all began in 1908 in Feltre, in the Province of Belluno, North-east Italy. Thanks to technological evolution and international business expansion, our 100% Made in Italy fabrics are highly regarded and in demand among the world's leading names in fashion, clothing, and interior design.

EVERY CREATION.  
FOR EVERY YARN  
TO SPIN.

#### IN THE "NO"

##### NO WRINKLES

Unfailingly unruffled Piave fabrics are always impeccably smooth and wrinkle-free.

##### NO IRONING

Our fabrics stretch perfectly, so they don't need to be ironed.

## PIAVE IS THE LAST WORD IN STRETCH FABRICS

Thanks to a combination of our textile know-how and cutting-edge technology, Piave stretch fabrics are always visually appealing, easy to work with and comfortable to wear. With their expert eyes, our team only select the very best, essentially immaculate yarns for use in production. Once the manufacturing process – spinning, weaving, dyeing and finishing – is complete, we conduct a number of physical tests on the end products to ensure they meet the very highest standards in terms of quality and functionality.

#### EASY - GOING

##### EASY TO CUT

Our fabrics are easy to cut and sew, so they're quicker and simpler to process.

##### EASY TO WEAR

Clothes made with Piave fabrics are soft to the touch and delightful to wear.

##### BREATHABILITY

They're also breathable, for coolness, comfort and hygiene all day long.

OUR  
FABRICS

***Circular knits fabrics***

Made with a double needle bed, thanks to their stretch memory they don't roll up at the sides on raw cut items with no hems or seams, and they're extremely comfortable.

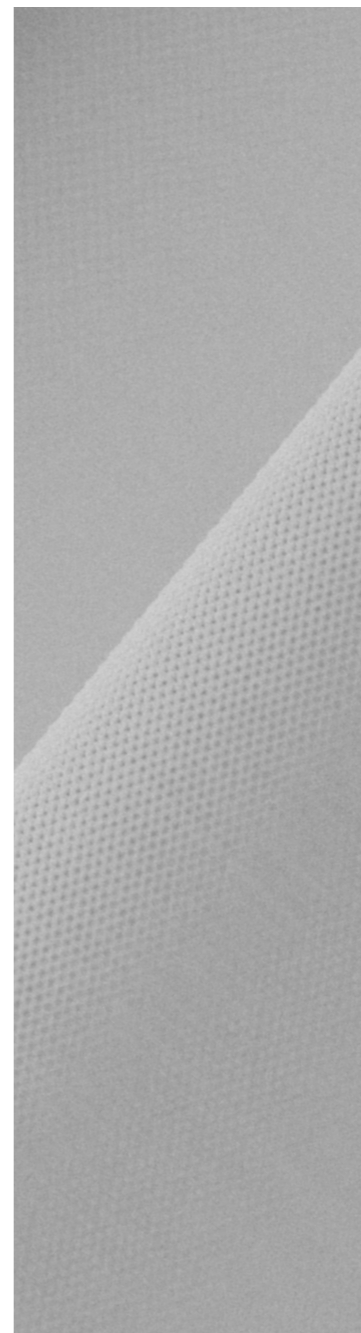

***Warp knits fabrics***

Offering outstanding coverage and protection from UV rays with a UPF of 50+, they're breathable, quick-drying, and resistant to pilling, chlorine, sand and wear & tear.

***Raschel fabrics***

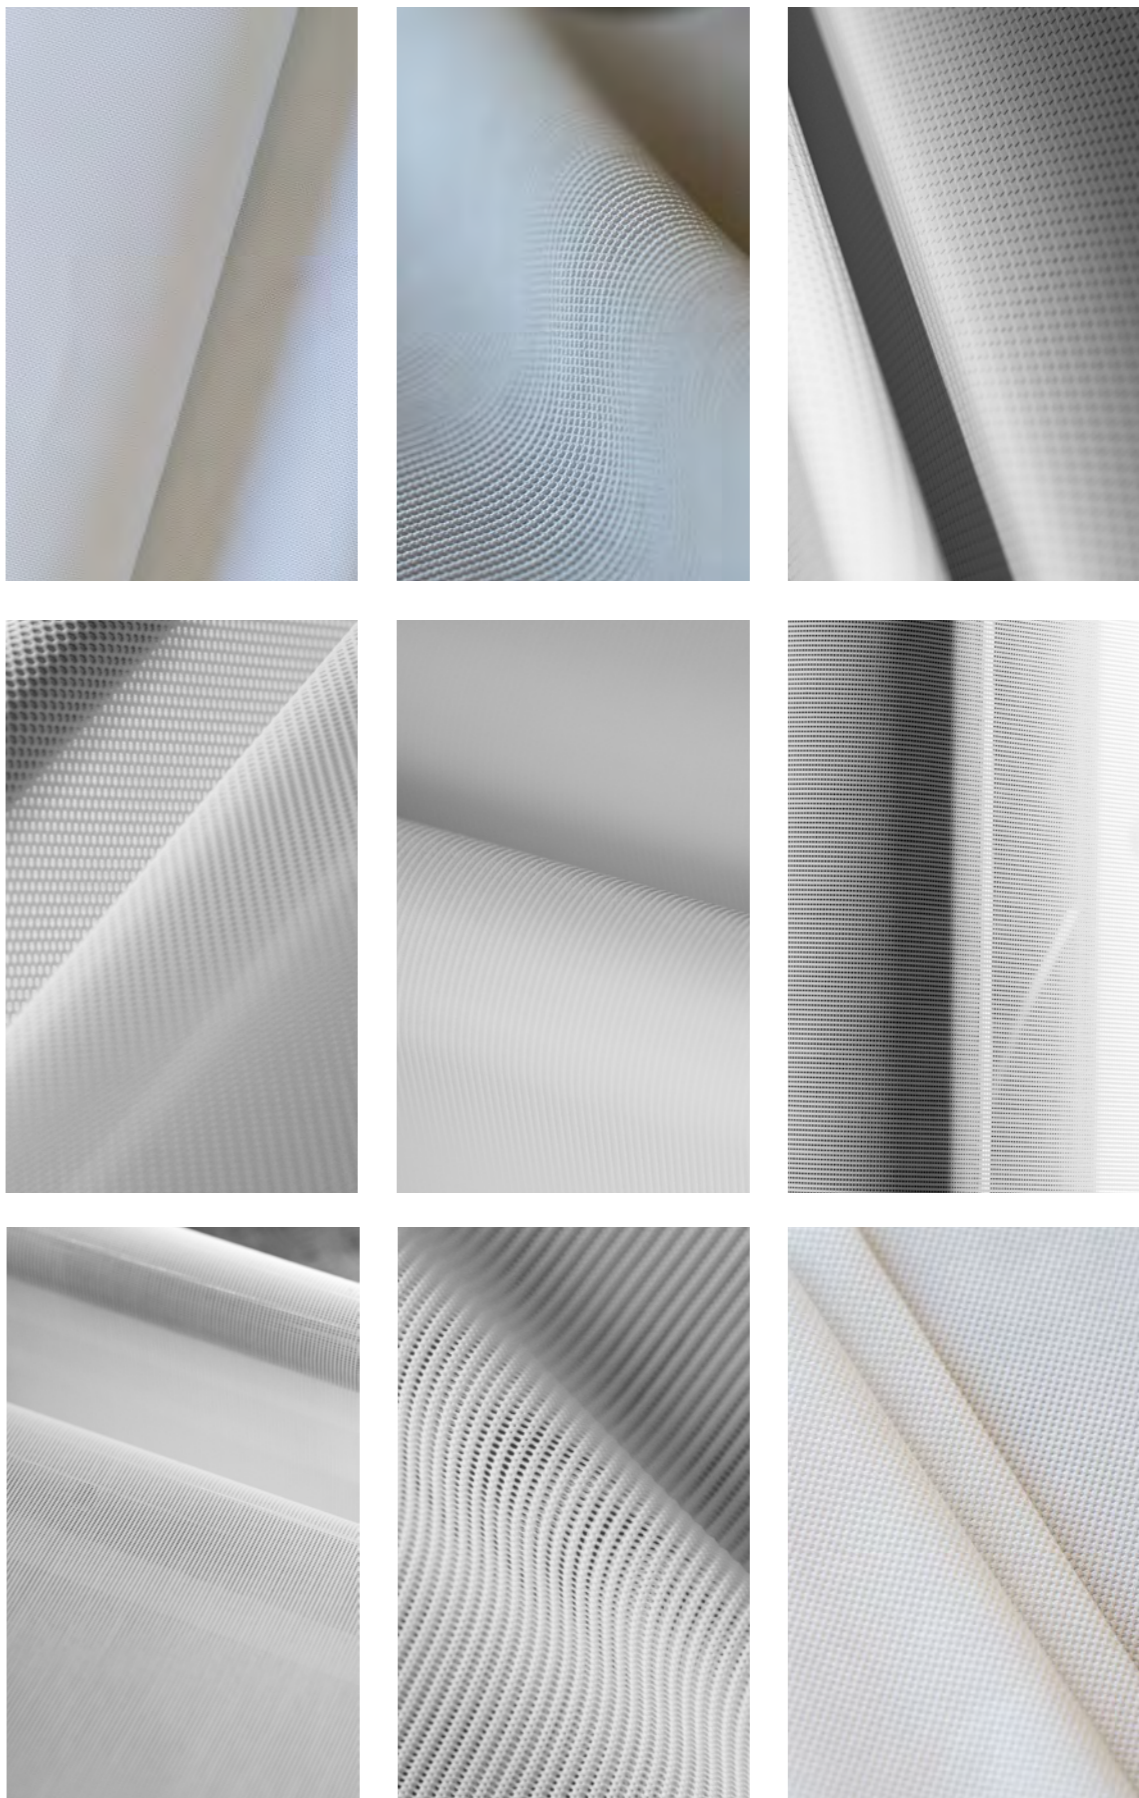

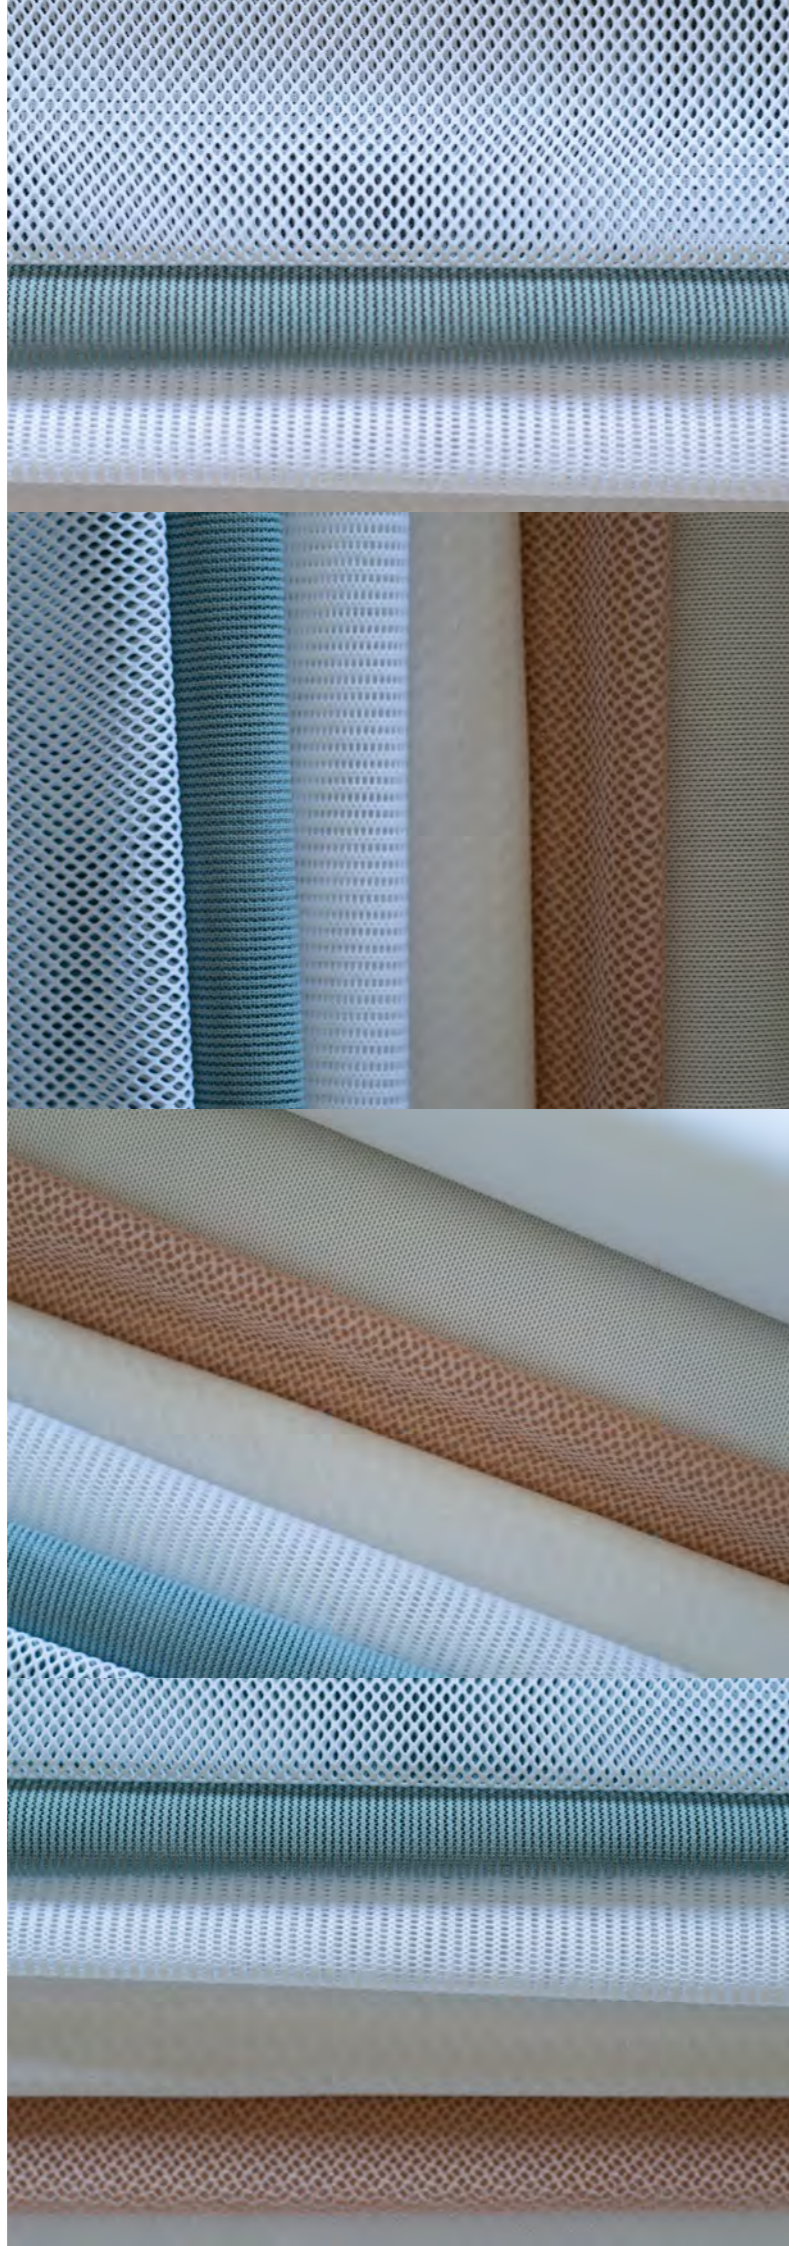

Mainly used for inserts and detailing in garments, their properties include perfect breathability in all environmental conditions.

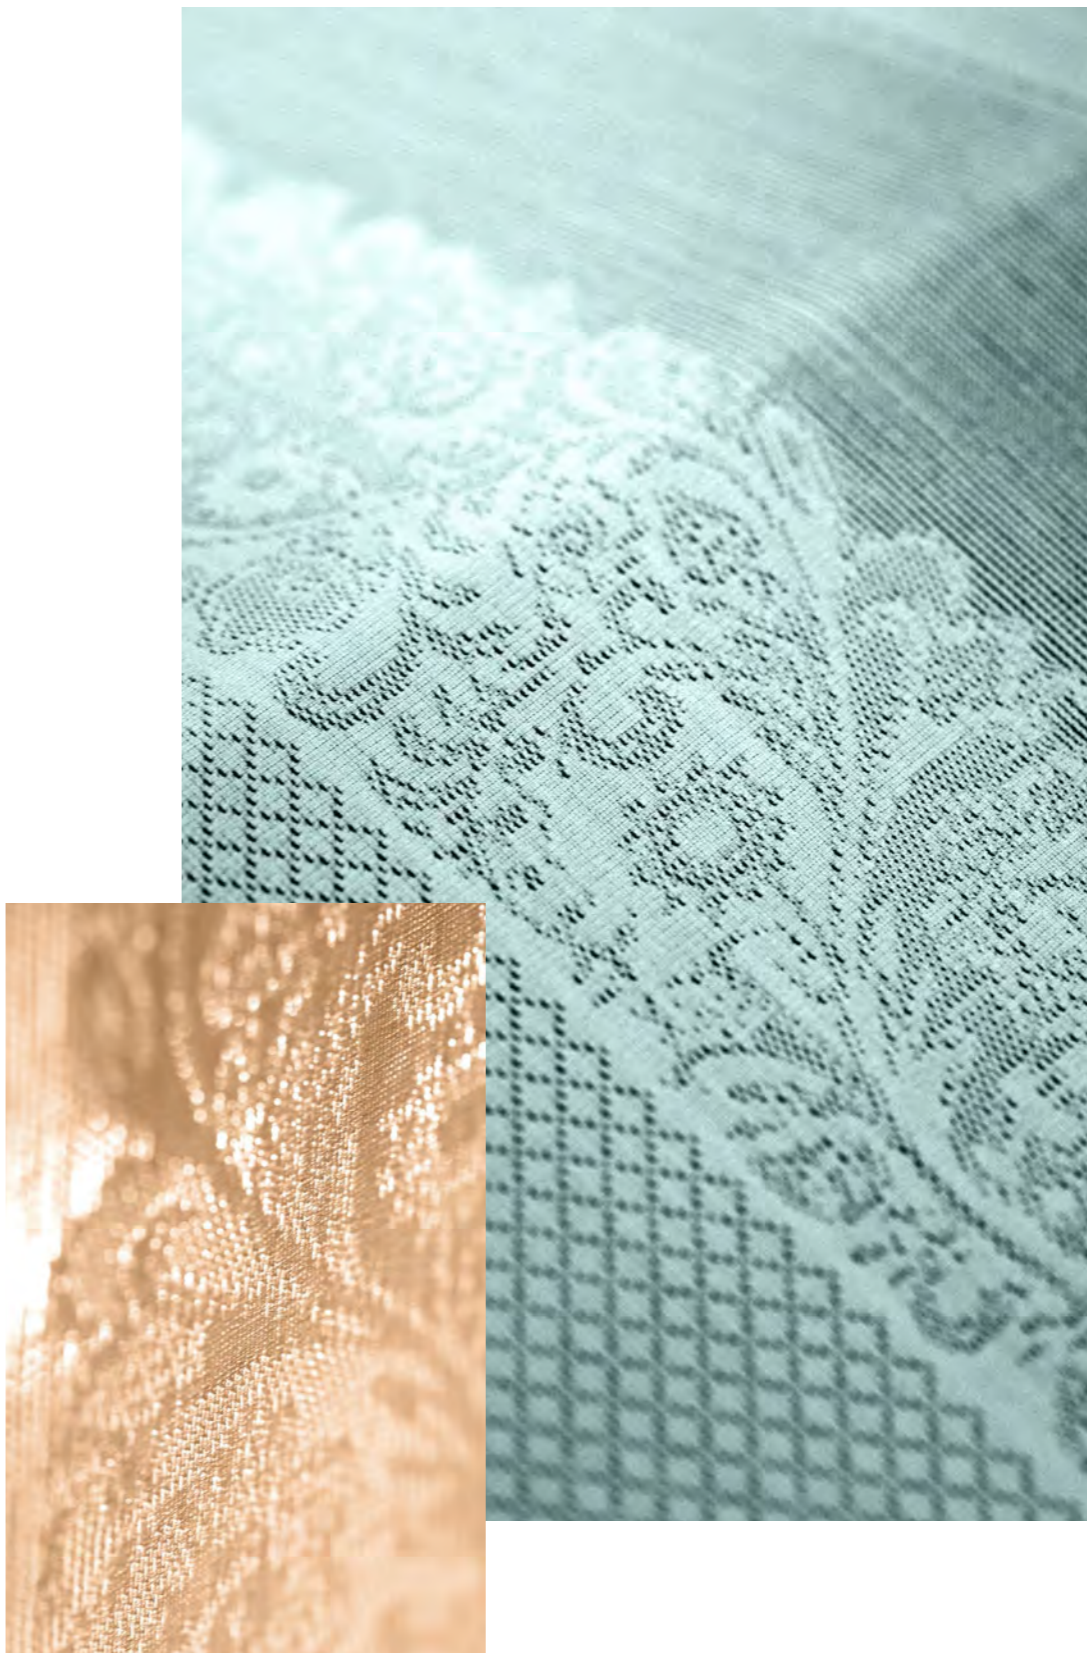

***Recycled fabrics***

High-quality yarns made from recycled materials. 100% sustainable products that give a tangible helping hand to the environment and showcase the dedication of brands to green issues.

## COLOUR LAB

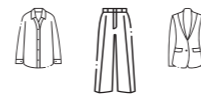

### ALL THE COLOURS OF LIFE

IN OUR COLOUR LAB, ANY COLOUR CAN TAKE SHAPE AND BREATHE LIFE INTO YOUR UNIQUE CREATIONS

In our Colour Lab, we conduct research into colours. Our technicians can sample colours chosen by customers on any type of material and trial their use on our fabrics, aiming to achieve colour fidelity in all lighting conditions and maximum resistance to washing and rubbing.

## USES

The potential of our fabrics opens up endless possibilities for you in fashion, underwear, sportswear and interior design.

### FASHION

Let your imagination run wild: shirts, trousers, jackets, and outerwear.

### UNDERWEAR

Finesse and comfort for lingerie: bras, knickers, corsetry, embroidery.

### SWIMWEAR

Feel the water: stunning swimwear that's made to be worn in the water.

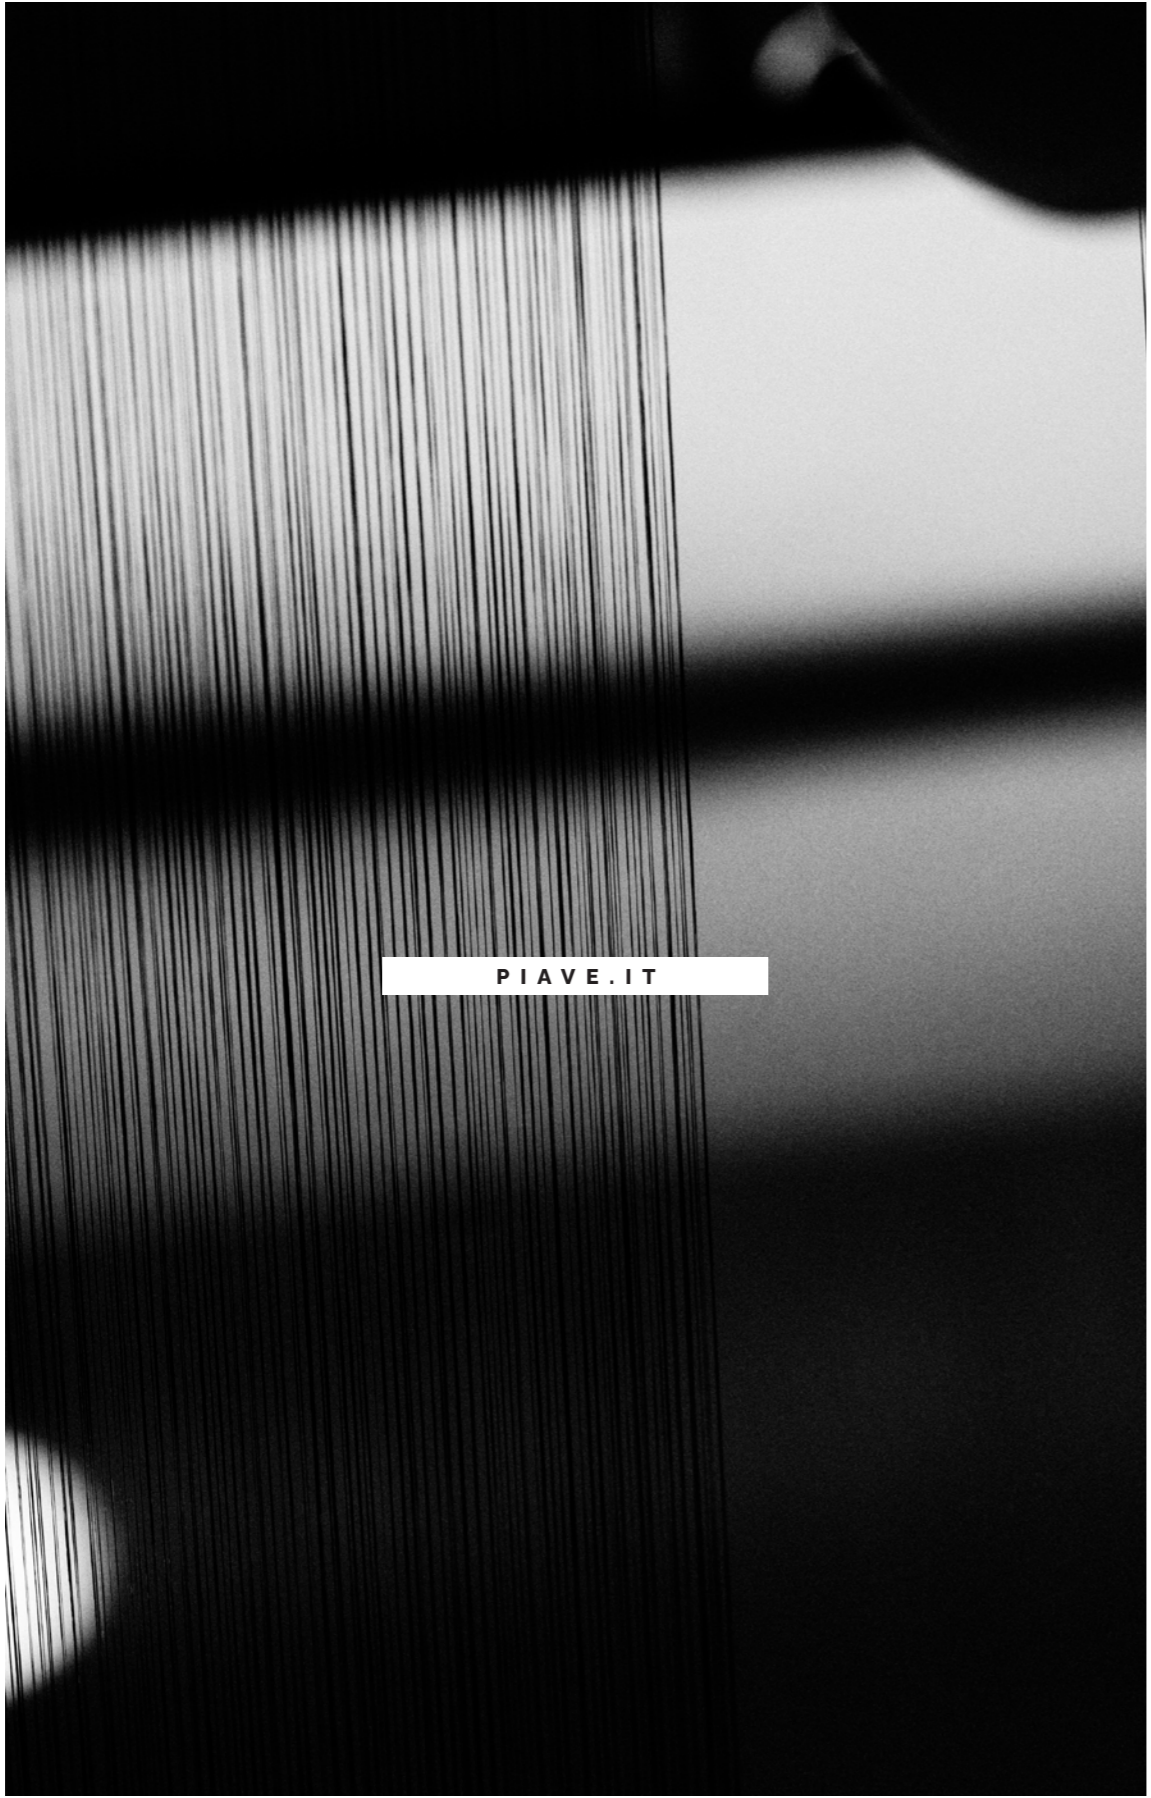

### SPORTSWEAR

Style and performance: technical clothing for cycling, the gym, golf, and tennis.

### INTERIOR DESIGN

Modern classics: fabrics for armchairs, curtains, beds, and other furnishings.
