Our Motivation

2.3 bn	120 mn	1%
tons of waste worldwide	tons of textile waste	textile recycling

EU Textile Strategy 2030

“Fast Fashion is out of Fashion”

Circular Economy

New Textile Legislation

New EU laws make circular economy mandatory for the textile industry.

The research project RETRAKT develops a procedure to implement the necessary transformation processes within companies while actively engaging employees.

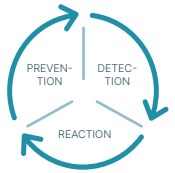
RETRAKT

Resilient Circular Economy in the Textile Sector

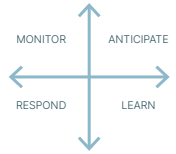
Our Procedure

Implementation in **Partner Companies**

Laws and Regulations: **Compliance Management**



Research on the Future of Work: **Resilience Engineering**



Circular Process Transformation **Compliance Engineering**

Compliance with Textile Legislation **Enabling of Employees**

Science-to-Practice Transfer **Innovation Transfer Research**

Implementation in the Textile Sector **Digital Cooperation Platform**
