

JESSIA & JEAN CORPORATION

About us

J&J Corporation was founded in 1990, in Taiwan

Knitted and woven functional fabrics for performance, outdoor and hunting wear

With a professional research and development team, we also provide a wide array of customization solutions.

Our mission: *Proactive, Innovation, Effective, Competitive*

Strong partnerships with our manufacturers and created a stable supply chain.

We are certified by **Oeko-Tex Standard** for eco-friendly dyes, chemical processes and recycled materials.
