- APPLICATION

AGT INTERNATIONAL CO., LTD.

Innovation, Quality, and Service are the Core Values at AGT.

The banner is divided into three sections: Function, AGT, and Action. The 'Function' section on the left shows a woman climbing a rock face, with icons for 'ABRASION 250 CYCLES' and 'CORDURA'. The central 'AGT' section features a woman in a yoga pose, with icons for 'ECO Friendly' and 'RECOVERY 90%↑'. The 'Action' section on the right shows a woman running, with icons for 'Spacer', 'UV Protection', and 'LIGHT WEIGHT 100g/m²'.

AGT is one of the leading manufacturers of high performance knitted fabrics with experience alliance great team. Combing a solid foundation of experience with the latest advances in technology, AGT is well positioned to tap into developing new products and add value to the company and its customers. AGT also develop and produce specialty fabric customer-tailored to customer specifications and needs.
